For the purpose of this section, recyclables shall mean those materials as defined in subsection 12.73.100A of the Eau Claire County Code.

4.12 **Definition**

A. "Hauler" means any person licensed by the Town and authorized to collect refuse within the Town for deposit at the Eau Claire County Landfill.

B. "Yard waste" means grass clippings, lawn rakings, leaves and other refuse attending to the care of lawns, shrubbery, vines and trees.

4.13 **Purpose** The Town of Pleasant Valley recognizes that yard waste comprises a significant amount of the total volume of refuse deposited at any landfill. The Town further acknowledges that there is a need to preserve landfill space. To this end, Eau Claire County has adopted regulations prohibiting the deposit of yard wastes at the county landfill and requiring that users of the landfill shall adopt a program requiring the separation of yard waste from other refuse. The Town finds the public health and welfare is served by minimizing, to the extent possible, the materials which are placed in the landfill. The intent of this ordinance is to further the goal of having no yard waste deposited in the landfill, thus conserving this valuable asset.

4.14 **Separation** All persons whose refuse is disposed of at a county owned or operated landfill shall separate yard waste from all other refuse.

4.15 **No Collection or Deposit** No person shall place any yard waste for collection or deposit in any landfill. No hauler shall collect any yard waste for deposit in a landfill.

4.16 **Refusal of Service** Any yard waste placed for collection not in accordance with the provisions of this section shall be refused by the hauler.

4.17 **Reporting** Service providers are required to maintain records and report in writing to the Eau Claire County Solid Waste Technician at such times as designated by the County Solid Waste Technician, but not less than quarterly. The report shall include the amount of solid waste and recyclables collected and transported from the municipality, the amount of solid waste and recyclables processed and/or marketed by item type, and the final disposal location of solid waste and recyclable materials. Failure to make such record shall be a cause for the municipality to revoke the license or sever any contract with the hauler.

4.18 **Penalty for Failure to Separate Yard Waste** Any person who after July 11, 1988 violates a provision of this section shall, upon conviction forfeit:

A. Not less than \$10.00 and not more than \$25.00 for the first conviction within one year;  
B. Upon the second conviction within one year, not less than \$25.00 nor more than \$50.00;

C. Upon the third conviction within one year, not less than \$50.00 nor more than \$100.00;

D. Upon the fourth and subsequent convictions within one year, not less than \$100.00 nor more than \$500.00.

E. The license of any licensed hauler who violates this section may be suspended or revoked by the Town in addition to the imposition of a penalty under this subsection.

F. The owners and operators of multiple-family dwellings and mobile home parks should, where necessary, facilitate the separation of yard waste by the residents of such dwellings and parks.

4.19 **Effective Date** This ordinance should take effect upon passage and publication as required by law.

Dated this 12<sup>th</sup> of April, 2010.
